**Date:** Thursday, 22 August 2019 5:11:43 PM

---

Hi Julie,

In response to the applicant's memorandum following the hearing I am writing to tell you that I support whole heartedly the memorandum by the KCB which states that the applicant has had ample time to present his plan and should not be allowed further. If I had anymore time this week/month/year, I would write you a more personal memorandum.

All the best

Ed Thompson
