

BEFORE THE NEW PLYMOUTH DISTRICT COUNCIL INDEPENDENT HEARING
COMMISSIONERS RE PRIVATE PLAN CHANGE WAIRAU RD

PRIVATE PLAN CHANGE APPLICATION – PPC18/00048

- I would like to voice my concern about the applicant attempting to come back with further details having had a reasonable length of time to prepare his case.
- It is unfair in that submitters have followed the correct protocol and submitted their cases in the time frame allowed.
- The Community has invested a considerable amount of money and time for our own legal, expert witness etc costs. We should not be required to go through this outlay further due to the applicant's tardiness.
- As a submitter my submission was based on the original evidence.
- I believe the hearing should be closed and the decision of the Commissioners should rest on the evidence already presented
