I have sighted the above building consent and read the attached conditions of consent together with the waterproofing details contained therein, and confirm that:

- The substrate is suitable for the application of the above waterproof membrane.
- The waterproof membrane has been applied in accordance with the manufacturer's specifications and technical requirements.
- All work has been carried out in accordance with the building consent and complies with the following clauses of the Building Code (tick as applicable):

B2 Durability and E2 External Moisture - all external membranes (roofs, gutters, decks, balconies, etc.) have been flood tested or electrically tested (mandatory).

Test method: electronic flood

B2 Durability and E3 Internal Moisture - all tiled internal showers and wet areas have been flood tested (mandatory).

I have attached copies of the following documents:

Product warranty Workmanship warranty LBP record of work (if RBW - external W/P only)

I understand that New Plymouth District Council will rely upon this producer statement for the purposes of establishing compliance with the above building consent.
