

5. Attendance and wish to be heard at hearing

A formal hearing may be held for notified applications if any matters are not resolved at a pre-hearing meeting. It gives the applicant, and all submitters who stated in their submission that they wish to be heard, the opportunity to formally present their views to an independent commissioner.

It is recommended that submitters speak to their submission for all but minor issues. Stating that you wish to be heard at the submission stage does not obligate you to appear at the hearing later if you change your mind.

If you state that you do not wish to be heard, the Council is not obliged to advise you of the hearing or send you the hearing documents. However you will be sent a copy of the decision and retain your right to appeal the decision.

5a. If a hearing is held, do you wish to be heard in support of your submission? Yes No

5b. If others make a similar submission, would you consider presenting a joint case with them at the hearing? Yes No

You may choose to contribute toward the cost of engaging a professional e.g. a planner or lawyer to represent your combined interests.
