

Directions/Panel Minute 5
LUC24/4848583
Application by New Plymouth Pistol Club Inc
228 De Havilland Drive/1206 Devon Road (State Highway 3)

- 1) Ms Williams has advised that she and Messrs Edwards and Robinson conferenced on 27 May, as per our directions, but did not complete their review of the draft conditions, and that she is going to be offshore from tomorrow until Tuesday 2 June. She requests an extension of time for the planners to file their Joint Witness Statement and advises that they can complete it by 5pm 3 June.
- 2) The need for an extension is understandable in the circumstances.
- 3) While it is desirable that it be kept to a minimum, we would prefer that the planners not be under time pressure, and are able to provide us with as much assistance as possible.
- 4) Accordingly, the time for completion of the planners' Joint Witness Statement is amended to 5pm on 4 June.
- 5) Rather than have material arrive in stages, the timing for Mr C Robinson's additional comments he has arising from the Puketapu Hapū response is similarly amended to 5pm on 4 June.
- 6) Lastly, the timeframe for applicant's reply is extended correspondingly to 5pm on 18 June.
