5. Attendance and wish to be heard at hearing

A formal hearing may be held for notified applications if any matters are not resolved at a pre-hearing meeting. It gives the applicant, and all submitters who stated in their submission that they wish to be heard, the opportunity to formally present their views to an independent commissioner.

It is recommended that submitters speak to their submission for all but minor issues. Stating that you wish to be heard at the submission stage does not obligate you to appear at the hearing later if you change your mind.

If you state that you do not wish to be heard, the Council is not obliged to advise you of the hearing or send you the hearing documents. However you will be sent a copy of the decision and retain your right to appeal the decision.

- 5a. If a hearing is held, do you wish to be heard in support of your submission?
- 5b. If others make a similar submission, would you consider presenting a joint case with them at the hearing?

You may choose to contribute toward the cost of engaging a professional e.g. a planner or lawyer to represent your combined interests.

The Privacy Act 1993 applies to the personal information provided in this submission. - 1. If you are making a submission to the Environmental Protection Authority, you should use form 16B.
- 2. Please note that your submission (or part of your submission) may be struck out if the authority is satisfied that at least one of the following applies to the submission (or part of the submission):
 - It is frivolous or vexatious.
 - It discloses no reasonable or relevant case.
 - It would be an abuse of the hearing process to allow the submission (or the part) to be taken further.

 by a person who is not independent or who does not have sufficient specialised knowledge or skill to give
