Todd Energy Aquatic Centre Swim School reserves the right to change the instructor if the need arises.

If you have children under eight years attending lessons please DO NOT leave the pool surrounds. Our programme never replaces a parent's vigilance when it comes to children's safety in and around water.

Children under the age of eight must be actively supervised by a caregiver over the age of 16 years.

Swimming is an asset

Learning to swim has obvious benefits. Did you know it also enhances the social, emotional and physical well-being of your child? Feel comfortable in the knowledge your child will build self esteem while learning essential water survival skills.

Get the most out of swim lessons!

Swimming, like any other physical activity, is based on development levels. Consider swimming year-round to optimise development skills.

Lessons run for 25 minutes.
