New Development for KD Holdings

To whom it may concern

I am writing to express my opposition to the develoment being put forward by KD Holdings, to be erected on Broughm Street. They are applying for exemption to the height restricten imposed by the NPDC View shafts.

Views from the high points of New Plymouth are an assett, with views above the city and across to the sea. These will be interrupted by a building for no reason other than making it more viable for the developoters. Why you would allow this, I find hard to fathom. Once one application is allowed, then it will follow that others will want to ignore the height restriction. A view across the city to the sea, with its greenery and no interruption, is much preferable to a view of the sea across the top of buildings.

We already have an exaple of this with the then Perry Dines Building (given exemption), which, when you come over the top of Coronation Avenue, stands out, blocks and interupts the view.

Please note my objection

## 5. Attendance and wish to be heard at hearing

A formal hearing may be held for notified applications if any matters are not resolved at a pre-hearing meeting. It gives the applicant, and all submitters who stated in their submission that they wish to be heard, the opportunity to formally present their views to an independent commissioner.

It is recommended that submitters speak to their submission for all but minor issues. Stating that you wish to be heard at the submission stage does not obligate you to appear at the hearing later if you change your mind.

If you state that you do not wish to be heard, the Council is not obliged to advise you of the hearing or send you the hearing documents. However you will be sent a copy of the decision and retain your right to appeal the decision.

5a. If a hearing is held, do you wish to be heard in support of your submission?  Yes  No

5b. If others make a similar submission, would you consider presenting a joint case with them at the hearing?  Yes  No

You may choose to contribute toward the cost of engaging a professional e.g. a planner or lawyer to represent your combined interests.

## 6. Privacy statement

The Privacy Act 1993 applies to the personal information provided in this submission. For the purposes of processing the resource consent application the Council may disclose your personal information to another party. If you want to have access to, or request correction of, that personal information, please contact the Council.

### Notes to submitter

1. If you are making a submission to the Environmental Protection Authority, you should use form 16B.
2. Please note that your submission (or part of your submission) may be struck out if the authority is satisfied that at least one of the following applies to the submission (or part of the submission):
  - It is frivolous or vexatious.
  - It discloses no reasonable or relevant case.
  - It would be an abuse of the hearing process to allow the submission (or the part) to be taken further.
