Healthy Active Learning: Snapshots

Huirangi School

The success of the annual colour run with plenty of contagious laughter and smiles capped off another period of progress

Moturoa School

With support from the Healthy Active Learning team Go, Glow and Grow foods are on the menu at the Moturoa Breakfast Club.

Vogeltown School

There is a strong school culture around physical activity at school that is supported by the team.

Waitara Central School

Community engagement is going strong at the school with a well-attended whānau engagement day one of the highlights of Term 4 2025.

- 160 items connected in the New Plymouth District over the last 6 months.
- We have two roving collection bins (W R Phillips & Dawson House) and four permanent donation stations (TSB Stadium, YMCA, Latitude 39 and Sport Taranaki)

REPLAY

A group of children in blue and black athletic wear are gathered around a pull-up bar on a grassy field. Some are holding onto the bar, while others are standing nearby. The background shows a line of trees under a blue sky with scattered clouds.
