Refund of dog registration fees - applicable from the date the application is received

How the refund is calculated

The refund is calculated based on the number of complete months remaining in the registration year, starting from the date we receive your completed refund request.

Please select your preferred refund method:

Refund to bank account

Bank name

Account number

In the name of

If you select refund to bank account, your refund will only be processed when accompanied by a printed bank statement or other bank-generated confirmation page showing the account name and number. The nominated account must be in the name of the registered dog owner.

OR

Transfer the refund to an existing NPDC account. Please select one option from below:

Your NPDC rates account

Property ID

Towards the registration costs of another dog
