

Quarterly Site Progress Update: Urenui and Onaero Wastewater Scheme

Date:	2024 second quarter
To:	
CC:	Clifton Community Board; Councillors
<p>This is a progress update on activities associated with work at the proposed site of the Urenui and Onaero Wastewater Scheme.</p>	
Activity	Update
Treatment - treat wastewater	<p>Following a detailed options assessment, it is proposed that:</p> <ul style="list-style-type: none"> the preferred location for the wastewater treatment plant at 944 Main North Road is to the north of the site in the vicinity of the current cow shed. <p>More detailed Information will be shared and feedback will be sought from neighbours once a draft landscape plan has been prepared.</p>
Discharge - irrigate treated water	<p>Following a detailed options assessment, it is proposed that:</p> <ul style="list-style-type: none"> the preferred crop and irrigation option is pasture cut and carry with spray irrigation. <p>More detailed Information will be shared and feedback will be sought from neighbours once a draft irrigation methodology has been prepared.</p>
Consenting	<ul style="list-style-type: none"> No change, consent documents will be prepared once the options assessment is complete.
Website	Access the project webpage here .
Meetings	<p>A report addressing the resolutions from the 6 March Strategic Projects Committee meeting will be presented at the following meetings:</p> <ul style="list-style-type: none"> Clifton Community Board Meeting, Thursday 23 May Strategic Projects Committee Meeting, Wednesday 5 June <p>The agenda papers are available on our Meetings webpage and you can watch the Strategic Projects Committee Meeting live via that webpage too.</p> <p>The Council report can also be accessed here.</p>
