#### How to use the application cover page form

New Plymouth District Council (NPDC) administers a number of Acts on behalf of central government. Each Act sets out specific requirements on what type of activities or projects need to be approved under that legislation.

This application form is designed to offer you an integrated way to apply for multiple approvals or NPDC services and achieve compliance for your project.

You only need to submit one application cover page form if you are applying for multiple approvals at one time.
