

This form must be submitted with a completed application cover page form. Complete this form with the assistance of the appropriate checklist.

1. Applicant details

1a. I am the Property owner Lessee Agent authorised by owner/lessee
1b. Full name First name(s) Surname
1c. Postal address (include postcode)
1d. Contact details Work Home Mobile
1e. Email
1f. Preferred means for formal correspondence Mail Email
1g. Evidence of ownership attached Record of title (copy) Lease agreement Sale and purchase agreement Other document showing full name of legal owner(s), such as a rate instalment notice
1h. I request that you issue the following approval(s) for the building work described in this application Project information memorandum (PIM) Building consent Amendment BC (Existing building consent number)

2. The project

Description of the building work

2a. Type of work New building Alteration Wood burner Addition Relocation Plumbing and drainage only Demolition/removal Re-pile existing building
2b. Category of work Residential Outbuilding/ancillary Milking Shed Commercial/Industrial/Community Replacement or up-grade of on-site waste disposal (septic tank) Foundations for earthquake strengthening
2c. Will the building work result in a change of use of an existing building? Yes No Current use Intended use
2d. Year building first constructed
2e. Floor area Total floor area affected by building work sq.m
2f. The completed building will be: Single storey, single unit building Multi-storey or multi-unit building (please specify) Number of units Number of storeys

OFFICE USE ONLY

Date received Property ID Scale Code Application # AMN /
Time received Land ID Planning/EH requirements? Y / N Application # PIM /
Received by Owner ID Relevant planning / EH forms provided? Y / N Application # BC /
Document # Invoiced or Receipt # NPDC reticulation through property? Y / N Amount paid \$

## 2. The project - continued

2g. Intended life of the building Indefinite but not less than 50 years  
 Less than 50 years (please specify)  years

2h. Estimated value of the building work \$  including GST  
 The estimated value comprises all materials and labour costed at current market values.  
 This may be checked against published industry costings.

2i. Restricted building work  
 Will the building work include any restricted building work? Yes No  
 If yes, provide details of all licensed building practitioners who will be involved in carrying out or supervising the restricted building work. (If these details are unknown at the time of application, they must be supplied before work begins.)

Name	Licensing class	Licensed building practitioner number (or registration number if treated as being licensed under section 291 of the Building Act 2004)

2j. Have any PIM and/or building consents been issued previously for this project? Yes (provide details below) No

Consent issued by	Date of consent	Consent number

## 3. Project information memorandum (PIM)

The project involves:

- Land undergoing subdivision, where title has not yet been issued.
- Alterations to land contours.
- New or altered connections to public utilities (water/stormwater/ sewer).
- New or altered locations and/or external dimensions of buildings.
- Building work over, or adjacent to, any road or public place.
- Building work over, or adjacent to, any existing drains or sewers, or in close proximity to wells or water mains.
- New or altered access for vehicles.
- Disposal of stormwater and wastewater.
- Access through or over Council-owned parks or reserve land (privileged access).

Other matters known to the applicant that may require authorisations from the Council (please specify)

Office use only:  
 Signature:   
 Date:

The following documents are attached to this application (complete if the application is for a PIM only):  
 Basic, proposed site plan. Description of proposed building works.

## 4. Building consent (only complete this section if the application is for a building consent)

The following plans and specifications are attached to this application:

## 5. Privacy statement

Information you provide in this application is required to process your application under the Building Act 2004. NPDC stores the information on a public register, which must be made available to members of the public upon request and may also be made available to other units of NPDC, NPDC'S approved contractors and other government agencies. This information will also be held in accordance with the Privacy Act 2020 and the Local Government Official Information and Meetings Act 1987. Under the Privacy Act 2020, you have the right to access your personal information held by NPDC and request NPDC to correct the personal information it holds about you.

6. Compliance with New Zealand Building Code - do not fill in this section if the application is for a PIM only

**7. Compliance schedule** - do not fill in this section if the application is for a PIM only

There are no specified systems identified as part of this application - proceed to section 8.

The specified systems for the building are indicated below:

Removed  
New  
Existing  
Altered

**SS1** Automatic systems for fire suppression (e.g. sprinkler systems).

Performance standard/s

**SS2** Automatic or manual emergency warning systems for fire or other dangers.

Performance standard/s

**SS3** Electromagnetic or automatic doors or windows (e.g. ones that close on fire alarm activation).

**SS3/1** Automatic doors.

Performance standard/s

**SS3/2** Access controlled doors.

Performance standard/s

**SS3/3** Interfaced fire or smoke doors or windows.

Performance standard/s

**SS4** Emergency lighting systems.

Performance standard/s

**SS5** Escape route pressurisation systems.

Performance standard/s

**SS6** Riser mains for use by fire services.

Performance standard/s

**SS7** Automatic backflow preventers connected to a potable water supply.

Performance standard/s

**SS8** Lifts, escalators, travelators or other systems for moving people or goods within buildings.

**SS8/1** Passenger carrying lifts.

Performance standard/s

**SS8/2** Service lifts.

Performance standard/s

**SS8/3** Escalators and moving walks.

Performance standard/s

**SS9** Mechanical ventilation or air-conditioning systems.

**SS9/1** Air conditioning systems.

Performance standard/s

**SS9/2** Ventilation systems.

Performance standard/s

**SS9/3** Fire/smoke dampers.

Performance standard/s

**SS10** Building maintenance units providing access to exterior and interior walls of buildings.

Performance standard/s

**SS11** Laboratory fume cupboards.

Performance standard/s

Explanations in this guide are intended to assist you to complete the application cover page form - numbers on the form relate to the explanatory notes in this guide.

### How to use the application cover page form

New Plymouth District Council (NPDC) administers a number of Acts on behalf of central government. Each Act sets out specific requirements on what type of activities or projects need to be approved under that legislation.

This application form is designed to offer you an integrated way to apply for multiple approvals or NPDC services and achieve compliance for your project.

You only need to submit one application cover page form if you are applying for multiple approvals at one time.

### Notes to assist completion of your application cover page form

#### 1. Property details

##### 1a. Site address

- Write the physical address where the project will take place.

If the building has a name, please include it in the site address. PO Box addresses are not acceptable.

Example:

- Unit 4, 3rd Floor, XYZ Building, 123 Devon Street West, New Plymouth.
- PO Box 456, New Plymouth.
- 3rd Floor, XYZ Building, 123 Devon Street.

For properties that are undergoing subdivision, use the address indicated on the Land Transfer Plan with section 223 certificate endorsed.

##### 1b. Current, lawfully established use

- Write the lawfully established use of the building.

If you do not know this, please describe to the best of your knowledge. For example: single residential dwelling, shop, takeaway bar, warehouse.

##### 1c. Legal description

Every property has a unique legal description assigned to it. This information is given on your rates instalments invoice or record of title.

- Write the legal description of the property.

Example:

- Lot 1 DP 2345
- S PT SEC 678 DP 901

##### 1d. Rapid Number

- If the project is in a rural area and you have purchased a rapid number, write this number in the space provided.

#### DISCLAIMER: BUILDING CONSENT APPLICATIONS ACCEPTED FOR LAND UNDERGOING SUBDIVISION

The owner/applicant accepts that the issue of a building consent as requested in an application does not provide any assurance or representation by NPDC that legal title to the land is now or will ever become available and the owner/applicant should take legal advice before commencing construction work.

#### 2. Property owner details

- Write the name and contact details for all owners. Include any company or trust name.
- If the property is owned by a company, partnership or trust, write the name of the person representing the organisation.

#### WATER BILLING

If you are applying for a water connection and it needs to be metered, water billing will be sent to this address.

Indications and guidelines issued by NPDC are provided with the intention of helping people to understand the legislation. They are however offered on a 'no liability' basis and in any particular case those concerned should consult their own legal adviser.

### 3. Payer details

- Indicate who will receive the invoice.

### 4. Description of project

#### 4a. Detailed description of the development/project

- Describe the nature and scope of all parts of the project.

For example:

- New one-storey single residential dwelling.
- Three stand-alone two-storey dwellings, each with their own vehicle access and attached carport.
- Replace bath with shower.
- Install woodfire to replace existing open fireplace.
- Repile existing building and improve drainage.
- Excavating soil for a farm track within 50m of a sand dune.
- Boundary adjustment to increase the size of Lot 2 DP 3456 and decrease the size of Lot 3 DP 3456.

- New café, with the intention to use a portion of the footpath and the space above it for additional seating capacity.

#### 4b. Will business activities take place when building is completed?

- Tick yes if the building is to be used for business activities after it is completed, e.g. operating a business from home, take-away shop, production of chemical products, factory, orchard and shop, etc.
- Tick no if the building is to be used purely for residential purposes.

### 5. NPDC applications for this project

- Tick to indicate all applications that the application cover page form relates to.

Using this form for multiple applications saves you writing the same information more than once.

- Where an application has already been lodged for this project, write the application, licence or consent number.

This will help NPDC to assist you in managing your whole project.

#### Examples of projects requiring multiple NPDC applications

If you are building a new house with a swimming pool in an urban area, and the site is such that you need to build over NPDC pipes, you may need to complete all of the following applications:

#### Not sure what approvals you need?

Refer to the appropriate checklist for your application.

If you still have questions, visit the Civic Centre in Liardet Street, New Plymouth and discuss your project with an NPDC officer, or phone NPDC on 06-759 6060.

If you are building a garage on the boundary and installing a vehicle crossing, complete:

If you are operating a restaurant/café/bar, with tables on the footpath, complete:

If you are converting your residential garage into a hairdressing salon, complete:
